### **DETAILED ACTION**

1. In response to the previous office action, Applicant has cancelled claims 1, 7, 33-36, 42-44, 46-49, and 51-53 and amended claims 39 and 50. Claims 3, 4, 8-32, 37-41, 45, and 50 have been examined.

### ***Allowable Subject Matter***

2. Claims 3, 4, 8-32, 37-41, 45, and 50 are allowed.

3. The following is an examiner's statement of reasons for allowance:

Claim 39 recites that the first number, which is used in the verification of the encrypted number, is recorded as an unencrypted number. Applicant has persuasively argued (see Remarks, filed 16 August 2006) that this claim limitation is not obvious. It would not be obvious for one of ordinary skill in the art to record this number in addition to the encrypted number for a redundant verification; therefore, the previous rejection under 35 U.S.C. 103 has been withdrawn. The rejection under 35 U.S.C. 112, first paragraph has also been withdrawn, because, unlike in previous claims 33-36, this feature has been recited as being "unencrypted" rather than "unencoded."

Claim 50 is allowed for the reasons stated in the previous office action.

All other claims are allowed based upon their dependence upon an allowable base claim.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
